

Canterbury

SCHOOL

2014-2015 Annual Report

The 2014-2015 school year was a momentous one and Canterbury had much to celebrate. The *Focus Forward* Campaign, the largest in our school's history, exceeded our \$9.5 million campaign goal and was successfully closed. Students in all grades embraced the newly renovated Ketner Science and Technology Center, where teachers expand cohesive learning platforms based on real world applications. This, along with other campus expansions and ongoing improvements, continues to enhance the quality of our extraordinary school. Without the generous support and commitment of you, our Canterbury community, none of this would be possible. As tradition holds, it is your support that ensures generations of young learners will continue to thrive in this unique and innovative learning environment. We are forever grateful for your many contributions.

Meghan Davis, Director of Advancement

Summary of Giving

July 1, 2014 - June 30, 2015

ANNUAL GIVING

Annual Fund	\$351,382
Spring Fling	\$15,361
Golf Tournament	\$21,545
Total:	\$388,288

Leadership Giving

Leadership giving levels recognize all donors who have made Annual Fund gifts of \$1,000 or more received between July 1, 2014, and June 30, 2015. Capital and other restricted gifts are not credited toward membership. All donors, regardless of gift size, are listed on the pages that follow under the appropriate constituency.

Parents — 92% Participation

Traditionally, Canterbury's parent participation has far surpassed national independent school fundraising benchmarks. This year was no exception. More than 92% of our parents made a gift above and beyond tuition. Generous parent participation reflects a commitment to Canterbury's philosophy, mission, and purpose.

Focus Forward Capital Campaign

The *Focus Forward* campaign, which officially closed in 2015, exceeded its \$9.5 million goal. The campaign provided the funds to build Haley Athletic Center, renovate Ketner Center into a state-of-the-art science and technology center, acquire property adjacent to campus, and improve campus security. Next year, we will begin construction on tennis courts and expanded parking for athletic events. The campaign also funded the endowment, scholarships, and professional development.

Endowments

Canterbury school's Board of Trustees has made building our endowment a top priority. A larger endowment will strengthen Canterbury's ability to keep pace with the economic times, to ensure the support of our current programs, and to attract high-quality teaching professionals and students.

Gifts to endowment are invested and the annual interest is used to support school programs today and for generations to come. Here is a complete list of endowment funds, including descriptions. Endowment funds are named at \$100,000, and will be listed in the annual report beginning in the year in which they reach or exceed that amount.

Dan and Knox Barker
Thea and Edmond Fitzgerald
Jean Hock

Alan and Laura Irvin
Carol and Charles Lucas
Lucy and Henry Sackett

Marcia and Tom Tice
Wells Fargo

Berry Hall Endowment Fund: This fund was established in 2008 by the Beverly and Ray Berry Family to provide for the long-term maintenance and repair of Berry Hall and its courtyard.

Board Discretionary Fund: Endowment funds in this category are unrestricted and help to underwrite the school's comprehensive operating budget. The fund's earnings are designated by the school's Board of Trustees and most commonly supplement the operating budget.

The Canterbury Excellence Fund: Endowment funds in this category are unrestricted and help to underwrite the school's comprehensive operating budget. This fund can also be used to hold funds that have not yet fully matured or the fund's designation is pending.

Dina and Burney Jennings Scholarship Fund: The Jennings Fund, established in 2002- 2003 by the Jennings family, is one of the school's first endowed funds. Its annual income is applied to Canterbury's financial assistance program, which is a need-based program.

Edward M. Armfield, Sr. Endowed Fund for Financial Assistance: This fund was established in 2004-2005 through the generosity of the Edward M. Armfield, Sr. Foundation. The purpose of this endowment is to provide long-term financial assistance to students who could not otherwise attend Canterbury School.

Faculty Enrichment Fund: This fund was established in 2003 by an anonymous donor. The purpose of this fund is to enhance curriculum opportunities, professional development, and compensation opportunities for Canterbury's dedicated faculty and staff.

Faculty Endowment Fund: This fund was established in 2010 with a lead gift from the parent of a member of the class of 2009. Each year, the parents of the graduating 8th graders are asked to contribute to this fund, which provides faculty with opportunities for professional development and travel to seminars.

Fine Arts Center Endowment Fund: This fund was established in 2007 for the support of the Aurelia Fulton Stafford Fine Arts Center. The purpose of this fund is to provide for the long-term maintenance and repairs of Stafford Arts Center, which is the school's first facility to be fully endowed.

Helping Hand Fund: This fund was established in the tradition of lending a hand to deserving families who would otherwise be unable to attend Canterbury. The income of this endowment supplements the school's financial assistance budget each and every year. The Helping Hand Fund was established with the intention that others would be so moved to gift to the fund in support of this ongoing need.

Hock Faculty and Staff Tuition Remission Fund: This fund was established in 2009 by Conrad Hock, Jr. Tuition remission programs have long been used in independent schools as a non-taxable benefit to hire and retain qualified teachers. Beyond health insurance and retirement benefits, our faculty routinely identifies tuition remission as their most valued benefit. Funds are dispersed in accordance to the school's financial assistance policy, which states that all full-time faculty and staff are eligible for 50 percent tuition remission.

The Ketner Fund for Educational Excellence: This fund supports Canterbury's diversity initiative, provides additional funding for faculty professional development, and assists the Head of School in advancing the school's educational excellence.

Livingston Family Art and Music Fund: Established in 2005 by Rob and Julia Livingston, this fund honors their daughter, Jenna Livingston ('09), and her love of the arts. This fund was created to help promote and enhance Canterbury's fine arts and music programs for the benefit of all students. Annual proceeds are used for music and art equipment upgrades or purchases, off-campus field trips and visiting artists, and needed program supplies.

Maness Family Chapel Endowment Fund: This fund was established in 2009 by the John R. and Carolyn J. Maness Family Foundation. This fund provides for the long-term maintenance and repair of Phillips Chapel.

The Phillips Chapel Endowment Fund: This fund was established in 2009 by generous gifts from two anonymous families. The purpose of this fund is to provide for the long-term maintenance and repair of Phillips Chapel.

Sacred Music Fund: This fund was established in memory of Lee Hastings Bristol, Jr. by members of his family. This fund is used to provide resources to enhance the Sacred Music program at Canterbury School.

The Shining Light Fund: This fund was established in 2005 through a contribution in memory of Matthew David Lee. The name of the fund reflects the hope that Canterbury will be able to provide a shining light for children who need financial assistance to attend Canterbury School.

VF Fund for Financial Assistance: This fund was established in 2005 by the VF Corporation, whose headquarters are located in Greensboro. This fund is used to enhance Canterbury's capabilities to accept and recruit a diverse and dynamic community of elementary and middle school children, regardless of a family's financial abilities.
