

Canterbury
SCHOOL

IMPACT REPORT 2026

BECAUSE OF YOU, 2026 WAS A GREAT YEAR!

Before the first bell rang, before students stepped into their classrooms, and before a single lesson was taught, your generosity was already at work.

Each year, Canterbury intentionally budgets philanthropic support as an essential part of our operating resources, ensuring that students and faculty have the tools, opportunities, and experiences that make a Canterbury education exceptional. Simply put, the impact of your giving began long before we raised the first dollar of the 2025-26 school year.

Because of you, students were inspired by exceptional teachers, discovered new passions in the arts and athletics, benefited from innovative programs, and learned in an environment designed to help them flourish. Because of you, faculty were supported, traditions were strengthened, and our mission continued to thrive.

This report is a celebration of what your generosity made possible during the 2025–2026 year. Every number name within these pages reflects the collective power of a community that believes deeply in the transformative impact of a Canterbury education.

Your investment was more than a gift; it was an act of faith in our students and confidence in their future. Thank you for partnering with us, for believing in our mission, and for ensuring that Canterbury remains a place where young people are prepared with purpose and inspired by possibility.

With gratitude,
Mary S. Dator
Director of Advancement
